HAHNEMANN - A DRAMA WRITTEN BY PROF NIRMAL CHANDRA SUKUL

This is a book of a drama on Samuel Hahnemann, the person who introduced the therapeutic system of Homeopathy. Hahnemann, who announced revolt against the terrible and irrational existing therapeutic system. But his innovative therapeutic system was strongly condemned by the then medical doctors and the vulnerable medical business community. Hahnemann could have made a lot of money if he could have been followed in the conventional therapeutics. Instead, he faced a severe poverty. The discovery of his theories did not acclaim the scientific recognition in his life time. The life of Hahnemann's dramatic and bustling life is expressed in this book.
